

# VINA LUIS FELIPE EDWARDS

## *'Rosa Blanca' Cabernet Sauvignon*

*Colchagua Valley*

Organic

Vintage 2005  
Region Colchagua  
Blend 95% Cabernet Sauvignon  
5% Carmenère  
Winemaker Nicolas Bizzarri

### Tasting Notes

This organic Cabernet Sauvignon is deeply coloured with ripe berry and spice notes complemented by oak, from the maturation in barrels. It has a complex nose, elegant and filled with red mature fruits. Concentrated and rich flavours in the mouth which is soft, full bodied and round.

### Vineyard Notes

Our Cabernet grapes are cultivated in the Colchagua Valley, known for its great growing conditions for red grapes. The grapes were handpicked mature and healthy and then carefully selected to obtain a high quality wine. The grapes are always being supervised and controlled to ensure they are produced organically.

### Vintage Report

Without rain, and with a prolonged period of warm weather, the 2005 harvest in the Colchagua Valley was excellent for the red varieties. During the harvest, the ripeness was closely monitored, through a combination of tasting and chemical analysis. The grapes were picked very healthy and at the optimum ripeness that we want, because the weather was dry and with good temperatures for red grapes.

### Winemaking Report & Analysis

After careful selection the grapes are de-stemmed and crushed then the fermentation carried out between 26-28°C. After fermentation, the wine was transferred to second use French and American oak barrels for 8 months.

Alcohol: 14%  
Acidity: 5.3 g/l  
p.H.: 3.55
