

# VINE TRAIL

It is possible to find vineyards in different areas of Chile, but no other place has as many plantations as the Valle Central. The climate, the terroir and the geography make this region one of the most emblematic places for the cultivation of wine grapes, and includes some of Chile's most renowned vineyards. Kilometers and kilometers of plantations mark the route, like a true vine trail.

## SHIRAZ

### TASTING NOTES

Distinguished intense violent color. On the nose are aromas of black fruits, such as blueberries and blackberries, in addition to meaty and smoked notes typical of Colchagua. The palate is juicy, voluminous and balanced, with rich acidity and soft tannins.

### FOOD PAIRING

Red meat, grilled meats and vegetables, brisket.

### OAK AGING

10 months in French and American oak.

### PALATE

### GRAPES

### VINTAGE
