SHIRAZ

Chile has a long viticultural history dating back to the time when the Spanish conquistadors brought the first vines to our country. Since then the art of wine-making has evolved over the centuries and now after all this time we have become expert at harnessing our perfect climate, natural resources and amazing terroirs, to craft premium wines of many different varietals. Terra Vega wines are born from a fusion of this Chilean heritage and state-of-the-art winemaking technology, cultivated from the best vineyard sites.

TASTING NOTES

Deep red color, the nose is intense with notes of ripe and sweet red fruits, accompanied by spices and flowers. The palate is soft, round and with ripe tannins delivering a long finish with medium-high persistence.

FOOD PAIRING

This intense and elegant Shiraz is a perfect accompaniment for roast lamb and stews based on red meat among others.
